City of Richmond Schedules Upcoming Annual “Bring one for the Chipper” Christmas Tree Recycling Program

RICHMOND, VA - On Saturday, January 15, 2011, the city of Richmond is sponsoring a Christmas tree recycling program called “Bring One for the Chipper 2010.” City residents are invited to recycle their Christmas trees by having the city chip them into mulch for use in landscaping.

This is the second year for the program, which is heralded among the city’s efforts to actively participate in environmental education and to actively pursue more green initiatives.

“Bring One for the Chipper 2010” will take place at the Parker Field Annex, 1710 Robin Hood Rd., at the corner of Robin Hood Rd. and N. Boulevard across from the Arthur Ashe Center, from 9 a.m. to 2 p.m. on January 15. Also, Christmas trees can be dropped off from December 26 through January 14 at the East Richmond Road Convenience Center, 3800 East Richmond Rd. and the Richmond Southside Transfer Station, 3520 N. Hopkins Rd.

This project is being spearheaded by the city's Department of Public Works. For more information on city services and schedules, please visit us on line at www.RichmondGov.com.
