### **Traffic Signal Improvement Project to begin on Jefferson Davis Highway**

**WHO:** City of Richmond Department of Public Works

**WHAT:** Traffic signal improvements

**WHEN:** Monday, November 7, 2011 through February 29, 2012

**WHERE:** This project will take place at the following intersection:

- Jefferson Davis Hwy at Walmsley Blvd

**BACKGROUND:** The following improvements will be made to improve motorist and pedestrian safety. Motorists and pedestrians can expect temporary sidewalk and traffic lane closures during portions of the construction.

**SCOPE OF WORK:** The following improvements will significantly improve motorist and pedestrian safety:

- Installation of new mast arm signal poles and pedestrian pedestal poles
- Installation of pedestrian countdown indicators
- Installation of new wheelchair ramps
- Installation of underground conduits
- New painted pavement markings
- Sidewalk restoration
